

Series: #1

“The Blessing of Harvest”

“The fullness of my field is always revealed” Pt1

Genesis 8:22

“While the earth remaineth, seedtime and *harvest*, and cold and heat, and summer and winter, and day and night shall not cease”

Prayer:

Lord we call forth great blessings as we enter into this New Harvest Season - a time that we become truly aware of our seed blessings – a time we become aware of the fruit of our seedtime labor. Thank you Lord that your principles are never changing as long as this earth remains – Lord we call forth your anointing upon our Harvest and ask that your deep truths be seeded into our life as we reflect upon your Word. Thank you Lord for allowing us to have times of Harvest!

- * This morning we are entering into a series titled *“The Blessing of Harvest”*
- * The first message of this series is entitled: *“The fullness of my field is always revealed”*

Look at your neighbor and tell them – “The fullness of my field is always revealed”

- * We are stepping into the *Season of Harvest* for the year 2009
- * Simply we are about to once again experience a *covenant blessing from God* pertaining to the Human Race. [Seed and Harvest Principles]

The Word of God tells us that this time, this very season as long as this earth remains will not cease!

- * Now I don't know about you but when you really begin to think about this verse its pretty mind blowing!
- * The God of this Universe – the Creator of All – The only one True Living God has set you and me into a God ordained season!
- * IT is Harvest Season 2009!
- * The Lord has given us a physical harvest that will keep us ever mind full of importance of the Lords Harvest Fields – the Souls of Mankind.

Genesis 8:22

“While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease”

Harvest

Harvest by Webster Definition: * Latin: To pluck / To gather
* Greek [karpos] fruit

1. The season for gathering in agricultural crops
2. The act or process of gathering in a crop
3. A mature crop (as of grain or fruit)
4. To yield - the quantity of a natural product gathered in a single season
5. An accumulated store or productive result
